

New Yorkers won't take a
transit fare hike sitting down.

Particularly
when you can't find a seat.

You may soon be paying \$2 for a subway or bus ride. Or as much as \$23 for a seven-day MetroCard. That's why you need to visit www.straphangers.org.

We'll provide you with the information you need, such as how you can fight a fare increase, help New York City get a fair share of state transit funding, win new fare discounts and demand improvements to mass transit — so maybe you could even get a seat.
